

Example GTG Growers Email

Hello

We are very excited to announce the Grow to Give scheme will be starting on our allotment very soon. As you may have noticed, we've put some posters up on the communal boards

We are also writing to introduce us as your allotment champions. Working with our local food bank, we've arranged for the surplus produce to be collected as follows:

Day and time: _____

Donation Point: _____

We are generally out and about up at the allotment so please come and have a word with us if you'd like to find out any more details

We know it will take a bit of time before we get to the peak harvest seasons so we will have a few weeks to get into practice 😊

All the produce we donate will be weighed so we can give you regular updates on this.
Also, Grow to Give has produced videos and recipe cards on how to use the most popular veg donated and has some resources on good growing that you might be interested in.

Take a look at the website for more details:
www.growtogive.co.uk

Anything you can spare will be really appreciated.

Best
